

Parents:

Our Winter 2 Youth Flag Football season will begin on February 9. For those that are new to our program the focus of our YFF league is for all of the players to learn the skills to play while having fun. We do not keep or post any scores or stats for this league.

All of our coaches are teachers and high school or middle school coaches. All have worked for ISC for many years. We welcome any parents that would like to assist our coaches. I understand we have a few this season that are interested. Please let our coaches know you are here and willing to help.

Week 1 - each age group comes for a one hour practice. The coaches will be selecting the teams after the session in an effort to keep the teams as even as possible so that all the players are having fun. *Players will be placed on a team even if they are not there the first week.*

Week 2 - Jerseys are handed out prior to the start. The Junior/Pee Wee and Squirts will have a 15 minute practice and then will play a game. Remember many players are still learning the game.

Mighty Mites are divided into two teams. They will practice and then play a game. Each week their practice gets a little shorter and the game longer as they learn how to play.

Winter 2 Dates: 2/9, 2/16, 2/23, 3/2, 3/9, 3/16, 3/23, 3/30

Times:

Mighty Mites 10-11 am each week

Squirts 11 am -12 pm each week
